SAKE

gekkeikan brewery was founded in 1637 in fushimi, kyoto, now known as one of the best sake producing districts in japan, blessed with abundant fushimizu underground mineral water, which is important in creating fine sake. the tradition has been passed down for over 380 years and the brewery is now run by the 14th generation of the okura family. the name gekkeikan means "laurel wreath", symbolising victory and glory, and overcoming hardship through constant creativity and innovation.
